PART 1 - ASPEN VILLAGE COMMUNITY CORPORATION
PREFACE

In consideration of the necessity of providing for the efficient supervision of maintenance, activities, and use of the Parks and Storm Water Detention Area, the plator has prior to the closing of any sale of lots in Aspen Village caused to be incorporated a Not-for-Profit Corporation entitled "Aspen Village Community Corporation." Every owner of a lot, which is subject to assessment, shall be a member of Aspen Village Community Corporation. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment. Membership in Aspen Village Community Corporation, as provided in the Articles of Incorporation and By-Laws of the Corporation and amendments thereto, are transferable only by a sale of the lot to which it is appurtenant, and a lot owner may avoid his membership in Aspen Village Community Corporation only by selling his property. The Articles of Incorporation and the Corporation By-Laws and amendments thereto are deemed to constitute a contract between the individual lot owners and Aspen Village Community Corporation.

The plator herewith covenants and agrees to organize and fund such corporation by the deposit of \$100.00 for each lot sold in Aspen Village at the time of closing of such sale and to remain as a full member for so long as the plator may own any unsold lots, with full voting rights, but the payment of one hundred dollars as aforesaid shall constitute the full dues and assessments due from the plator to the corporation.

It is plator's intent that all of the By-Laws with respect to the use and maintenance of the various park and storm water detention areas be designated to accommodate the desires of the corporation members, to preserve property values, and to be flexible enough to meet specific needs, including the need to raise funds. Accordingly, this Preface and its statements shall be deemed a covenant of equal force and effect as all others herein set forth.
